## Brief Backstory

Having lived a hollow life of being neglected and thrown away again and again, Chiyo is learning how to love others and even herself. Having met a lonely, tragic end, she's given the chance to study to be reborn as a cupid-ranked cherub to help those like her to not have to go through what she did. Unbeknownst to her, her job had already started when she accidentally stole Frey's heart.

**Full Name**

Delilah Mani Adisa

## Genre

Comedy, Adventure, Philosophical

## Smell

Cooked meat

## Sound

Night sounds (crickets, spring peepers, etc.)

## Plant

Mushrooms, Poppies

## Learning subject/Hobby

Keeping up with modern world, helping children, playing pranks, drinking at bar

## Brief Backstory

Though Kokkuri enjoys providing guidance (and sometimes practical jokes) for children, he never expected one to show up on his doorstep. Seeing the dark Orenda trailing behind the kid, he decides to take him in and raise him to the best of his ability to help him regain control of the possessed Orenda. When Frey eventually grows up, Kokkuri knows that there's much more for Frey to learn that he can't teach him before he can regain control.
